PROFESSIONAL SUMMARY

GRC and supply chain assurance specialist with 18 years of Defence logistics experience, targeting third-party risk, GRC consulting and internal audit roles at professional services firms, and supply chain assurance, export control or trade compliance roles at defence primes. Track record of closing the gap between records and physical reality through systematic controls, risk-based auditing and enterprise-level process improvement, with £2.7M+ in quantified business impact.

Core Skills: Third-Party Risk Management | Governance, Risk & Compliance (GRC) | Internal Audit & Risk-Based Auditing | Supply Chain Assurance | ISO/IEC 27001, 42001, 27701 | COSO Internal Control Framework | Three Lines Model | Export Control & Trade Compliance (ITAR, EAR) | Dangerous Goods Compliance (IMDG Code, ADR, IATA DGR) | Financial Control & Root Cause Analysis | Digital Transformation (Palantir Foundry) | Data Analytics (SQL, Python, Power BI) | PRINCE2 Project Governance

PROFESSIONAL EXPERIENCE

Petty Officer (Supply Chain Manager)

Royal Navy, Type 45 Destroyer | May 2024 – Present

- Took over an account graded unsatisfactory at Fleet Logistics Inspection; identified and corrected £2.4M in misallocated expenditure through systematic financial control analysis, restoring full compliance within 12 months and triggering a Navy-wide policy instruction to prevent recurrence
- Co-developed the STOROB inventory interrogation application in Palantir Foundry with BAE Systems and DE&S, delivering enterprise-grade data validation and real-time visibility scoped for fleet-wide rollout
- Ranked in the top 3 of 79 peer supply chain senior rates across Surface Flotilla HQ; reduced financial liability by 80% through asset verification and documentation remediation

Petty Officer (Stores Office Manager)

Royal Navy, Wildcat Maritime Force | Apr 2022 – May 2024

- Consolidated dispersed Force Mobile Equipment into a single accountable stock holding site, closing 14 major loss investigations
- Turned round a rejected consignment in 3 days to sustain a weapons trial valued at approximately £5M against a fixed flight deadline
- Coordinated cross-border movement of 7 containers of equipment for a multinational exercise, recovering a mid-exercise equipment shortfall with 3 hours to spare

Supply Chain Specialist / Logistics Inspector

Royal Navy, Various Postings | 2008 – 2022

- Designed and delivered an organic, PRINCE2-governed consignment tracking capability, eliminating a 200-mile round trip dependency and sustaining 4 multinational exercises
- Delivered a £250K cost-saving lean maintenance initiative through inventory optimization and stock-holding reduction
- Founded a junior rates development programme adopted as a standing programme; Royal Navy Inclusivity Award for Innovation (2023)

GIS Analyst & Infrastructure Planner

St Vincent Electricity Services | 1996 – 2008

- Led GPS geo-tagging of national grid infrastructure (12,000+ assets), underpinning an Esri Special Achievement in GIS Award-winning enterprise mapping system
- Advanced from meter reader to planning specialist through self-directed capability development; awarded Employee of the Year for operational excellence

EDUCATION

- MSc Supply Chain and Logistics Management (Defence Logistics Staff Course), University of Lincoln — In Progress (Distinction track), Apr 2025 – Apr 2027
